# GPAL palletizers: fast, accurate and versatile.

PAYPER is one of Europe's leading manufacturers of complete bagging lines. PAYPER offers a wide range of lines, to suit the requirements of small, medium and large production operations.

GPAL clamp palletizers are fast and very accurate. They palletize any type of bag, even open-mouth bags when overlapping is required. As a result, very stable, perfectly stacked pallets are created.

THE GRIPPER PALLETIZER  
REACHES SPEEDS OF

**1,600**  
BAGS/HOUR

ACCURATE WEIGHING SYSTEM

INTUITIVE CONFIGURATION

EASY ACCESS AND MAINTENANCE

HEAVY-DUTY DESIGN

## OPTIONS

### EXTRA STABILITY

With a **bag gluing system** or the use of **anti-slip sheets** between layers.

### SPECIAL ANTI-CORROSION CONFIGURATION

PAYPER has a special configuration for **corrosive products**.

### AVOID BREAKAGES AND MOISTURE

For greater automation, the robot can place a **cardboard** or **plastic sheet** on an empty pallet.

### PALLET LESS SYSTEMS

With or without slip-sheets. For a more **lightweight system** and **more storage space**.
